impersonating each character.

TERSELY TOLD.

John Lester, of Selma, was a reg-
istered guest of the Escambia yester-
day.
Mr. and Mrs. W. H. Ash, of Floma-
ton, were among the visitors in the
city yesterday.

William B. Farley, of Marianna, a
prominent attorney of that place, was
in the city yesterday and registered at
the Merchants.

Miss Della and Miss Helena De-
Graft arrived from Selma Monday af-
ternoon to be with their father, who
is quite ill at Bryan's infirmary.

Mr. A. H. Green and family are now
pleasantly located in their new resi-
dence recently completed at the cor-
ner of 14th avenue and 10th street.

A regular meeting of the Pensacola
Tourist Club will be held this after-
noon at 2 o'clock in the Universalist
church. Every member is requested to
be present.

Dr. J. Whiting Hargis left last night
for Washington, where he will remain
for several days, having been sum-
moned to appear before the senate in
the Swayne case.

J. B. Samuels, vice-president of the
Carversville State and Savings Bank,
of Carversville, Ind., is in the city for
an extended stay. Mr. Samuels is
greatly impressed with Pensacola.

Among the prominent lumber deal-
ers who are now in the city is N.
Sischeck, of Buenos Ayres, who is a
registered guest of the Escambia. He
is here looking over conditions in the
pine market.

The remains of Patrick Dooley, who
expired Sunday at his home on West
Intendencia street, were interred yester-
day afternoon in St. John's ceme-
tery, a large concourse of friends and
relatives being present. The inclem-
ent weather prevented many from at-
tending the funeral who would other-
wise have done so. The funeral ser-
vice was conducted at St. Michael's
church.

MANY GO TO WASHINGTON

PENSACOLIANS, WHO ARE TO
TESTIFY IN SWAYNE CASE,
WILL LEAVE TO-DAY.

Many Pensacolians, who are to ap-
pear before the senate in the celebra-
ted Swayne impeachment trial, will
leave to-day for Washington, where
they will tell what they know regard-
ing the life and actions of the judge.

Among those who will leave to-day
at noon are Judge J. Emmet Wolfe,
Chas. H. Laney, Chas. M. Coston,
John S. Beard and possibly three or
four other persons who have been
summoned from Pensacola, among
whom are a few ladies. Dr. J. Whit-
ting Hargis, who is also a witness in
the celebrated case, left last night.

All of the witnesses are summoned
to appear before the senate at 1
o'clock on the 10th, when they will be
sworn.

Hon. John S. Beard, who goes as a
witness, owing to his knowledge of
the case, is also to appear before the
senate as advisory counsel on behalf
of the government.

Mr. Beard stated last night regard-
ing the case, that he had every reason
to believe that the judge would be
convicted of the charges against him,
as the government has a very strong
case.

DEATH YESTERDAY OF
THOS. P. MOLONEY.

Thos. P. Moloney, an old resident of
this city, expired yesterday afternoon
at the home of his brother, Hugh M.
Moloney, on North Davis street. He
had been ill with Bright's disease for
many months, and for the past three
or four weeks was confined to his bed.
He recently visited Hot Springs in
the hope of securing some relief, but
without favorable results.

He leaves many friends and relatives
to mourn his loss. Among the broth-
ers and sisters surviving are Hugh M.
Moloney, John Moloney, Jerre Mo-
loney, Mrs. Lizzie Bradley, Mrs. Mag-
gie Greenwood and Mrs. Carrie Jones.
The deceased had many personal
friends in the city, who will be pained
to learn of his death.

The funeral cortege will leave the
residence of Hugh Moloney, No. 22
North Davis street, this afternoon at
3:30 o'clock, the services to be con-
ducted at St. Michael's church and the
funeral at St. Michael's cemetery.

The following pall bearers are re-
quested to be present at Poul's under-
taking parlors this afternoon at 2:45
o'clock: William Tharp, Jas. Clark,
John Sheppard, Charles Hartman, A.
Riera, Jr., and William Camp.

TEACHERS WILL HOLD MEETING

THOSE OF THE PUBLIC SCHOOLS
HAVE ORGANIZED AND WILL
MEET FRIDAY.

The teachers of the various public
schools of the city have organized.
The object is for the purpose of dis-
cussing the various questions apper-
taining to the theory and practice of
teaching, and although the organiza-
tion is at present in its infancy, there
is much interest being taken by those
who follow this profession.

At the recent meeting, when the or-
ganization was perfected, it was de-
cided to meet the last Friday in each
month, but it has been decided to
hold a meeting the coming Friday at
Public School No. 2, where the first
meeting was held, and each teacher
in the public schools is urged to be
present.

These meetings will no doubt be of
great benefit to those now instructing
the children attending the excellent in-
stitutions and the teachers have met
with encouragement on all sides upon
the step taken.

Miss Henderson has been chosen as
president of the association.

Dancing School.
Miss Gypsie Morris, of Atlanta, will
open her dancing school this after-
noon at C. K. Hall at 3:30. The
public is cordially invited.

Repair Work Has Commenced.
The work of repairing the army
steamer has commenced at Palafox
wharf, and workmen in the employ
of the Gulf Machine Works, which has
the government contract, are now
busily engaged in overhauling the ma-
chinery and boilers of the vessel.

ARTILLERYMEN TO BE DISCHARGED

MANY OF THOSE COMPRISING
THE TWENTY-SECOND COM-
PANY WILL NOT RE-
ENLIST.

Many of the members now compos-
ing the Twenty-second Company of
Coast artillery, will not re-enlist. In
fact that company within a few weeks
will not contain more than half of the
old members, and will necessarily have
to be recruited from men who have
recently enlisted or else from among
the other companies stationed at the
post.

In fact so many of the men have de-
cided to abandon army life that Gab-
riell, traveling passenger agent of the
Southern Pacific Steamship Lines,
came here from Houston, Texas, in or-
der to get the men to go over his line
from New Orleans to New York. Yes-
terday he completed his work, having
secured the contract for handling the
men, and left last night for Atlanta
on business similar to that which
brought him to Pensacola.

The Twenty-second company is
made up mostly of boys from Brook-
lyn, who enlisted three years ago and
went to Cuba. The company came
here from there, and the enlistments
are to expire in a short while. While
some are again enlisting, there are
perhaps fifty who have decided to re-
turn home.

The men will go over the Louisville
and Nashville to New Orleans, where
they will take the steamer for New
York.

NEW CITY DIRECTORY
SOON TO BE OUT.

The business contingent of Pen-
sacola will be gratified to learn that
a corps of men, representing R. L. Polk
& Co., of Detroit, are hustling up
information for a new city directory
which will be completed about April
1. A new city directory for Pensacola
has been almost an absolute neces-
sity for the past twelve months, owing
to the great increase of population
here and to the many new busi-
ness houses and residences which
have sprung up since the publication
of the last directory, two years ago.

The men are all experienced in this
particular line of business and are
affiliated with one of the largest di-
rectory publishing concerns in this
country, and the coming issue will
be of great value in many ways.
It will contain many features which
previous directories have not had. The
representatives are being greatly en-
couraged in their compilation by the
business men.

LIBRARY ASSOCIATION
HOLDS ELECTION OF OFFICERS.

Notwithstanding the very inclement
weather, the meeting of the Library
Association, held yesterday afternoon,
was well attended and much interest
manifested.

The annual election of officers oc-
curred at this meeting, resulting as
follows:
President—Rabbi Samuel Klich.
Vice-President—Mrs. Scarritt Mo-
reno.
Secretary and Treasurer—Mrs. L. G.
Flinn.

HAS TOUCHED
MANY HEARTS

NO MINISTER EVER PREACHED
TO LARGER CONGREGATIONS
HERE THAN MR.

BLACK.

When Mr. Black leaves Pensacola
the good wishes of her people will fol-
low him. He has touched many hearts
and touched many souls, and the
echoes of his influence will be heard
in the general harmony of our lives as
a community long after he has gone.
Although he came here unheralded,
no minister has ever preached to
larger and more attentive congrega-
tions during his stay of a week in our
city. We are not trying to summarize
his work, for at the present this can-
not be done, but what comes to us in
higher aspirations and better living as
the years go by may be partly the
result of his visit here.

Mr. Black is strictly a gospel
preacher, entirely southern in man-
nerism and congenial in method. He
takes no other pulpit orator as a
model, and follows a line entirely his
own. We have seen more brilliant
men fall where he succeeds, and some-
times his very lack of rhetoric carries
home the truth. Owing to his train-
ing his style is forcible, yet he never
violates any of the proprieties of the
pulpit.

Mr. Black has stayed much about
the foot of the cross, and in his
preaching you constantly see Christ
and the Holy Land, and hear the
murmurs of Galilee, and the whis-
pering of the winds through olive groves.

Mr. Black will always find a warm
welcome when he comes to Pen-
sacola.

Mr. Black leaves to-night, provided
the weather is favorable. If it is not
he will remain over until to-morrow
at noon, and if so will be at the church
and participate in the 10 o'clock ser-
vice.

MANY GERMANS BUY HOMES

MOST OF THOSE WHO CAME HERE
FROM NEW YORK HAVE SET-
TLED PERMANENTLY.

Many of the Germans who came
here recently from New York, have
purchased homes as a result of their
trip to the Perdido section. The
weather was anything but favorable
when the Germans reached the city,
and as a consequence they were some-
what despondent, but when they view-
ed the land in the Perdido section they
decided to locate and immediately
closed deals for the property.

The entire party went out on a spe-
cial train over the Pensacola and Per-
dido road Monday. They were accom-
panied by Hon. John E. Stillman, who
was instrumental in bringing the party
south, and who met the visitors at the
union depot upon their arrival.

The Germans were delighted with
the location of country in which they
had located, and it is anticipated that
many more will come south and pur-
chase homes in this section.

AMUSEMENTS.

"THE WIZARD OF OZ."

"The Wizard of Oz" is probably the
greatest hit of the day and the theatre
is literally crowded to the doors at
every performance of this most divert-
ing extravaganza. An interesting pec-
uliarity of the audiences that visit
"The Wizard of Oz" is that there are
always many people in the theatre
who have "seen the play before." A
stranger who drops in is surprised to
hear those around him saying: "Now
Dorothy is going to bring the Scare-
crow to life" or "Just wait a minute
and you'll hear the girl sing 'Sammy'
to the man in the upper right hand
box." As a matter of fact, "The Wiz-
ard" is one of the rare musical enter-
tainments that will bear a second
visit. With its many unique features,
it is a most satisfying spectacle at the
Pensacola opera house Thursday night.

ROSE COGHAN.

For years Miss Rose Coghlan has
been without a peer on the stage in
the depiction of the brilliant, pas-
sionate and resourceful woman of the
world. It was this type that she im-
mortalized in the original production
of "Diplomacy" at Wallack's Theatre
in New York, and it is good news for
all lovers of the drama that she has
organized a grand revival of Sardou's
masterpiece, with herself in the origi-
nal role of Countess Ziska and with
Howard Kyle, former star of "Rose-
mary" and "Nathan Hale" in the
equally important part of Henri Beau-
clerc.

Ziska in "Diplomacy" is to Rose
Coghlan what the genial Rip was to
Jefferson or the melancholy Dane to
Edwin Booth.

The younger generation will be par-
ticularly interested in this classical
portrayal, wherein the actress pre-
serves the freshness and spontaneity
of youth and adds to it the maturity
of a wide and rich dramatic experi-
ence. "Diplomacy" will be seen at the
opera house on Saturday, February 11.

JOHN SPARKS SHOW.

Nearly every one is delighted that
there will be another circus in the
city soon, and there is a great deal of
anticipation because Sparks's shows
carry with them the stamp of merit.
This is what the Greenville (S. C.)
Daily says:

"For general cleanliness of perform-
ance there has not been an exhibit in
this place for many years that excelled
the Sparks show. They make no
pretense of having a great three-ring
circus, neither do they advertise things
they do not exhibit, but simply travel
from one place to another in their mas-
sive cars with an aggregation of per-
formers and animals that keep you
watching for the two hours of perform-
ance with as much interest as if they
had a train of fifty cars and two brass
bands. The whole of the seating ca-
pacity of their circus tent was crowd-
ed and several hundred people were
compelled to stand or to accept seats on
the grass at the side of the circus ring.
Besides having a good show they are
free from a gang of parasites that usu-
ally follow shows, in the shape of
gamblers."

PENSACOLA GETS NEW RAILROAD

PROPOSED ELECTRIC RAILROAD
BETWEEN THIS CITY AND
MEMPHIS.

The Nashville Banner, of recent
date, contained the following relative
to an electric railroad, which is to
operate between Pensacola and Mem-
phis, Tenn.:

"Application for the charter for the
Nashville and Huntsville Railway has
been made at the courthouse. This
line is to be the middle section of a
vast transit electric railway to be run
eventually from Memphis through
Nashville, Birmingham and Montgom-
ery to Pensacola, Fla. The capital
stock of the company asking for a
charter is just \$50,000, but it is said
the road will cost millions, and that
capitalists worth many millions are
back of the big enterprise."

"In Alabama the line runs from
Huntsville to Birmingham, from Bir-
mingham to Montgomery, from Mont-
gomery to Pensacola by way of
Haynesville. A branch runs west from
Haynesville to Camden, Ala., crosses
the Alabama river at Camden and con-
tinues west to Pine Hill, Ala., effect-
ing a junction with the Southern Rail-
road."

"From Nashville to Huntsville the
line will be 107 miles long and 315
miles from Huntsville to Pensacola.
New York, Chicago, Philadelphia
and St. Louis capitalists are back of
the enterprise."
